

BEAGLE NEEDING TO BE REHOMED

[Beagle Rescue NSW is associated with The Beagle Club of NSW Inc]

This is an interactive PDF form which allows you to fill in the details on the form using your computer. Download this form and open with a PDF reader. Fill out the form, make sure all boxes are filled out and/or ticked, save it and then attach it to an email and send to enquiries@beaglerescuensw.org.au

Before filling out the form please note that we do ask for a donation of **\$10 (\$20 for two)** for listing an older beagle for rehoming. The donation will go into the Beagle Rescue NSW fund and will be used to aid beagles that may need foster care and/or veterinary treatment where we cannot locate the previous owner

Sadly, many people have not gone ahead with the payment of the donation once their beagle has been rehomed so we have reluctantly decided to make it pre-payable. Payment details are at the end of this form.

Please note: We use exactly the wording that you type in this form in the description on your beagle's webpage. If there is information in the form that you do not wish to have published please do not include it here. If you think Beagle Rescue needs to know other information please email it separately.
